SOCIAL DISTANCING MEASURES IN EFFECT

The health, safety and well-being of all our participants, coaches, volunteers and host facility staff is our highest priority. Structured measures will be in effect with the intent of minimizing potential exposure to COVID-19.

More on Facebook: “Patriot Golf League Georgia”

Who Qualifies

Any Military Veteran with particular focus on those with any physical, cognitive and/or sensory disabilities; Back-spine injury, TBI, PTSD, limb loss, vision impaired, stroke survivors and more.

Georgia State Golf Assn.

GSGA Adaptive Golf is a statewide program empowering individuals through recurring community golf clinics by specially-trained coaches & volunteers with adaptive equipment for anyone to learn and enjoy the sport!

“It is not just golf, it is much more than golf, it's being amongst other Veterans, adapting to new environments and creating positive experiences.”
