DONOR INFORMATION

GSGA FOUNDATION SUPPORTED PROGRAMS

SCHOLARSHIPS

The Yates Scholarship Program provides educational scholarship opportunities for employees, or dependents of employees at GSGA Member Clubs. The Moncrief Scholarship Program awards financial aid to students of turfgrass management or agronomy at the University of Georgia, Abraham Baldwin Agricultural College and students who work and live in Georgia, but attend an accredited school outside of the state.

ADAPTIVE GOLF

The GSGA's Adaptive Golf Program is a complimentary all-inclusive community golf program used to help individuals with mobility and cognitive challenges find the best techniques and resources to play and enjoy golf. The program is open to all ages and provides specialized equipment that assists with playing the game. The mission of the program is to empower individuals with physical, cognitive or sensory impairments to enhance one's life through the game of golf.

JUNIOR GOLF

Through our affiliation with Youth on Course (YOC), the GSGA partners with golf facilities across the state to provide juniors with affordable access to the game. YOC members can play golf for only \$5 per round at over 40 participating GSGA member clubs, while the GSGA subsidizes the remaining portion of the juniors' greens fee to the facility. The GSGA Junior Tour is a statewide program providing young golfers with an opportunity to participate in competitive junior golf. The program offers economical opportunities throughout the state for players of all skill levels.

2021 ANNUAL FUND
