These Local Rules and Terms of the Competition are in effect at all GSGA championships and qualifying rounds. See applicable championship or qualifying round Notice to Players and Entry Application for modifications or additions to these Local Rules and Terms of the Competition. Complete text of the Rules and Local Rules may be found in the Official Guide to the Rules of Golf, effective January 2019.

2 – GROOVE AND PUNCH MARK SPECIFICATIONS: Local Rule as prescribed in Section 8 of the Committee Procedures is in effect, except as modified by the applicable championship Entry Application. Model Local Rule G-2.

3 – CLUB BROKEN OR SIGNIFICANTLY DAMAGED: If a player's club is broken or significantly damaged during the round by the player or caddie, except in cases of abuse, the player may replace the club with any club under Rule 4.1b(4). When replacing a club, the player must immediately take the broken or significantly damaged club out of play, using the procedure in Rule 4.1c(1). A club is "broken or significantly damaged" when, the shaft breaks into pieces, splinters or is bent (but not when the shaft is only dented), the club face impact area is visibly deformed (but not when only scratched), the clubhead is visibly and significantly deformed, the clubhead is detached or loose from the shaft, or the grip is loose. A ball coming to rest on or crossing any public road is considered out of bounds, even if it comes to rest on another part of the golf course.

8 - PENALTY AREAS: Defined by stakes, lines, or physical features. When a penalty area is defined on only one side, it extends to infinity. When a penalty area is connected to the out of bounds edge, the penalty area extends to and coincides with out of bounds. ***When taking back on the line relief from a penalty area, the reference point must be outside that penalty area.***

9 – BACK-ON-THE-LINE RELIEF: For a ball played from outside a relief area when taking back-on-the-line relief, Model Local Rule E-12 is in effect.

13 - AERATION HOLES: In the General Area, a ball that comes to rest in or on an aeration hole may be lifted, without penalty, cleaned and dropped, within the relief area and not nearer the hole in the General Area. All aeration holes are treated as the same hole for re-dropping purposes.

14 - INTEGRAL OBJECTS: Include cables, rods, wires and wrappings when closely attached to trees; and artificial walls and pilings when located in penalty areas and bunkers.

15 - DROPPING ZONES: A dropping zone is a special form of relief area that may be adopted by the Committee. The line itself is in the dropping zone.

18 - ELEVATED OVERHEAD POWER LINES AND CABLES: If a ball strikes such a line or cable, the stroke shall be cancelled and the ball MUST be replayed, without penalty in accordance with Rule 14.6. If a ball is not immediately recoverable, another ball may be substituted.

Rule 5.2b covering practice in stroke play is modified in this way: A player may not practice on the competition course before or between rounds. Penalty for breach of Local Rule, see Rule 5.2.

22 - WHEN COMPETITION IS FINAL: The competition is final when the trophy has been presented to the winner or, in the absence of a prize ceremony, when all scores have been approved by the Committee. The result of a match is final when the Committee has approved the result as posted on the official scoreboard.

23 - NO SHOW POLICY: "Those players who fail to appear for their assigned tee time without notifying the GSGA or the host club may be suspended from play for all GSGA tournaments for one year. Suspension includes the following year's event in which the infraction occurred. NO SHOWS also include any player who fails to turn in a scorecard himself or who withdraws during play without notifying an official and personally surrendering his scorecard to that official."
